**For the safety and comfort of your pet we do not allow outside toys while your pet boards with us.**

My pet(s) will be staying at the Madera Veterinary Center Boarding facility from \_\_\_\_\_ to \_\_\_\_\_.  
 If my pet(s) stay extends past this date, I agree to contact the hospital to make further arrangements.  
***A deposit on my account may also be necessary at this time.***

Dogs must have proof of current Rabies, Distemper and Parvo vaccinations. Dogs must have had a Bordetella vaccination within the last six months. All dogs must have current intestinal parasite prevention. Cats must have proof of a current Rabies and FVRCP vaccination. If I am unable to provide this information, I agree to have the vaccines and/or intestinal parasite prevention administered by a trained member of the Madera Veterinary Center staff.

**Vaccine Due Dates**

DA2PP \_\_\_\_\_

FVRCP \_\_\_\_\_

Bordetella \_\_\_\_\_

FELV \_\_\_\_\_

Lepto \_\_\_\_\_ Please vaccinate at this boarding visit: Yes  NO  (exam may be required)

**Current Monthly Wormer: Yes No Deworm while boarding \$14.50**

**On Flea/Parasite Prevention: Yes No**

Please apply a dose of topical flea/tick medication (Frontline Plus) to my pet. This medication lasts 1 month. (This medication is safe to use on pets that are on an oral flea preventative)  
 COST IS \$17.50

Do not apply topical flea/tick medication unless fleas or ticks are noted. IF FLEAS OR TICKS ARE FOUND, I UNDERSTAND THAT A DOSE OF FRONTLINE WILL BE APPLIED TO PROTECT OTHER HOSPITAL GUESTS AT A COST OF \$17.50

**If my pet becomes sick or injured during its stay, I give authorization to have my pet treated (select one): \_\_\_ Up To \$200 ~or~ \_\_\_ Full Treatment by the attending veterinarian if I cannot be reached to give authorization. I understand that I am responsible for all charges that may apply.**

I understand that as a veterinary facility, there is a small chance that my pet can come into contact with parasites such as fleas, ticks, or worms. I also understand that my pet could potentially come into contact with infectious bacterial or viral agents. Current vaccinations protect against the vast majority of these illnesses. I will not hold MVC liable for any parasite, viral, or bacterial illnesses that may arise from my pet staying at MVC.

I hereby certify that I have read and fully understand the above document. In signing this, I release all liability in this matter.
